

I'm the Unfaithful, Eternally Grateful

F/C C/A^m B^b C

When the silence shouts inside I know I'm overdue

F/C C/A^m B^b C

For a cup of water and a living word from you.

B^b/G F/A B^b F C

Oh but just for once you'de think I could remember

B^b/G F/A B^b C

Who it was that saved me from myself.

F A^m B^b F B^b/G F/A B^b C

I'm the unfaithful, eternally grateful, child you died to see!

F A^m B^b F B^b/G F B^b C

Who seldom remembers how to surrender and get down on my knees

When the wind blows through my sould I know it's you I miss.

No one else could offer hope or make sense of all of this.

Oh but just for once you'de think I'de meet you halfway

But you're always first in line for me....

I'm the unfaithful, eternally grateful, child you died to see!

Who seldom remembers how to surrender and get down on my knees

Bridge: ^{D^m} Tell you I care, ^{A⁺} but seldom spending time, ^{B^b}
^{B^b/G} Doesn't even rhyme with love! ^F

I'm the unfaithful, eternally grateful, child you long to see.

Help me remember how to surrender and give you all of me!
